The automatic choice of discerning selectors . . .

The Eterna-Matic, first watch in the world to wind itself on a ball-bearing . . . stores up 44 hours off-the-wrist power reserve . . . is anti-magnetic, shock-protected.

"The ball-bearing is to watchmaking what jet propulsion is to aviation."

ETERNA-MATIC

The world's only ball-bearing, self-winding watch.

ONLY AUTHORISED JEWELLERS SELL ETERNA-MATIC
